PROFESSIONAL EXPERIENCE

Web developer

October 2021 – September 2022

Self-employed (Trnava, Slovakia)

Developed and maintained responsive and user-friendly websites using HTML and CSS that are cross-browser and device compatible. Utilized Bootstrap framework to create mobile-first and responsive web designs. Implemented dynamic features and interactivity using JavaScript and JQuery, which increases user engagement. Conducted website performance optimization and troubleshooting for improved loading speed and user experience. Designed and edited graphics, layouts, and user interfaces using Adobe Photoshop and Figma.

Web developer

February 2019 – June 2021

Self-employed (Zaporizhzhia, Ukraine)

Developed and maintained responsive and user-friendly websites (HTML, CSS, Joomla, Wordpress), ensuring compatibility with various browsers and devices. Worked closely with back-end developers to integrate PHP and MySQL for database-driven web applications. Implemented dynamic features and interactivity using JavaScript and JQuery, which increases user engagement. Designed and edited graphics, layouts, and user interfaces using Adobe Photoshop.

Tax lawyer

November 2014 – March 2019

Legal Company ROVAT (Zaporizhzhia, Ukraine)

Provided expert tax law advice to clients. Conducted in-depth analysis of contracts and legal documents. Drafted and prepared legal documents. Represented clients' interests in both court and interactions with tax authorities.

Web developer

June 2010 – April 2014

Self-employed (Luhansk, Ukraine)

Responsible for a wide range of complete web development cycles. This included designing websites using tools like Photoshop, creating responsive and user-friendly front-end layouts with HTML and CSS, developing back-end functionality (PHP), and managing MySQL databases.
